Knights Over St. Anselm's, 100-87; 17-4 Season; Lemanowicz Gets 41 pts.

The 1955-56 edition of the basketball Purple Knights pose for their picture in the college gym. Members of the Vermont State Champions and top small college team in New England are, left to right: Coach George ' Doc ' Jacobs, Drew Denmead, Dan O'Sullivan, John Wegrzynski, Andrew Adzima, Bill Loeffler, Joe Spychalsky, Dick Rung, Tom Lemanowicz, Bernie Cieplicki, Bill Kuchar, Frank McCaffrey and assistant coach Ed Markey.

The Michaelman

WINOOSKI PARK, WINOOSKI, VT. VOL. 9 NO.16 MARCH 3, 1956

By Marius B. Peladeau

This past Wednesday night will be remembered by a goodly number of Michaelmen as the finest small college basketball team in New England proved the fact most convincingly with an excellent 100-87 win at Manchester, N.H., over the strong Hawks of St. Anselm's to run their season record to 17-4.

Tom Lemanowicz, the Knights' star forward firmly established himself as one of the greatest players ever to hit the Hilltop as he dumped in an amazing 41 points, 25 in the first half and 16 in last 20 minutes. Of these 41 points, 14 came on field goals while 13 were gathered from the foul line. Lemanowicz was the sharpest he had been all season at the foul line, missing only 4 out of 17 tries.

Pleasure Island Theme Announced For Jr. Weekend

" The traditional Junior Weekend, social highlight of the academic year, will take on a sparkling new finish for '56," Bill Chaison, Junior Prom Chairman, disclosed today. " Our Hilltop campus is due to undergo a startling transformation come the fourth of May."

The committee has finally decided on a Pleasure Island theme, which will feature bermudas, balmy breezes and a Beachcombers' Ball. According to the committee's plans the campus will take on a cloak of tropical make-believe which will whisk the Michaelmen and their dates out of Vermont's Green Mountains into the blue Pacific to the mythical Pleasure Island.

Co-Chairman Bob Donahue envisions variations of dress ranging from gay floral shirts and Bermuda shorts to the South Sea sarong and grass skirt. Ship wreck costumes will also be very much in vogue with perhaps an occasional pirate and buccaneer. Prizes will be awarded to the best dressed couple at the jazz concert.

The theme will be maintained throughout the weekend from the pre-jazz concert parade on Friday to the closing events on Sunday. Saturday's Beach Outing will be highlighted by a proposed Treasure Hunt.

The committee hopes that the policy of this year's Junior Class in adopting a vivid central theme about which to weave the pattern of the weekend will set a precedent to be followed in future years.

BLOOD DRIVE
March 12
PLAN TO GIVE

Two prominent Junior Class beachcombers strike up a whimsical pose while an island tourist ponders the contests of the treasure chest - due to be one of the sought-after features of Junior Weekend. All this is in keeping with the theme of the weekend - Pleasure Island.

Council Ends Lectures Debates; Constitution Revision Proposed

By OGDEN DODGE

The Student Council resumed its heated discussion over the campus lecture series last Tuesday night and finally decided to leave the current program solely under control of the Sodality, rather than press the issue for joint sponsorship as had been argued at the preceeding meeting.

Committee chairman Don Wehmeyer opened the discussion with a report that further consultation with Fr. Duford revealed that the Dean of Men is still strongly in favor of a joint effort on the part of the council and the Sodality and, in addition to a repeated offer of financial aid, stated that he would sponsor a series of lectures himself, if necessary.

COUNCIL ACTIONS CHILDISH

Sodality President Walt Bellcourt termed the council's attempt at co-sponsorship "adolescent" and Charles Randall, obviously following Bellcourt's lead, cited the recent Glee Club concert as an example of what kind of interist the student body would display in a large-scale campus series. Only 42 students

Durick To Speak At Symposium

The fourteenth annual meeting of the Catholic Renascence Society will be held at Hunter College in New York April 2 and 3. Dr. Jeremiah K. Durick, chairman of the English Department at St. Michael's, will participate in the two day symposium, dedicated to the memory of Paul Claudel, noted French playwright.

The topic being discussed at this year's symposium will be "Christian Humanism and Modern Thought." There will be a series of four panel discussions during the two day period.

Dr. Durick is a member of a panel which will discuss

(Continued on page 3)

Keynote Address Highlights Annual Career Day Program

Mr. Thomas Kenney, Director of the Placement Bureau and Alumni Secretary, reported today that the second annual Career Day held on February twenty-second was highly successful. The Alumni Secretary said he was pleased with the student attendance, particularly at the general assembly. Mr. Kenney plans to have a similar program next year and if student reaction seems to warrant it, the program will be expanded.

The Air Force ROTC band opened the program with a plug for an Air Force Career; "Off we go into the wild blue yonder." Mr. Henrik Bredenburg, Student Council President, introduced Mr. Thomas McNamara, President of the Alumni Association. McNamara stressed the fact that we must all pull together for a bigger and better St. Michael's. He praised Mr. Kenney and Mr. Simas for their excellent work and also Chairman Tom Sullivan and his committee for a job well done. Other members of the committee are Al Brault, Jay Tierney and Paul Kane.

(Continued on page 4)

Senecal Elected Freshman Veep

On Thursday of this week Robert Senecal was elected Vice-President of the Freshman class in a very close race. Bob is a resident of Worcester, where he attended St. Peter's Catholic High. He was active in high school activities. Richard Manning came in a close second. The other two runner ups are Leon Williams and Mark DeMartini.

The campaigning for the election started after the nominations which were held February 23rd. In the week's

(Continued on page 4)

Sophs Take Ist Place In Inter - Class Debates

Paced by a record of 4 wins as against 2 losses, the Sophomore Class clinched the Interclass Debate Contest held during the first part of this week. Also culminating the Sophomore victory was the selection of the best affirmative team of John Keating and George Latimer and the negative team composed of Freshmen Joseph Maloney and Robert McAllister.

(Continued on page 3)

Well Done, Alumni !

Part of the job of the campus newspaper is to reflect student opinion. This week we're fortunate enough to be able to speak for something the student like very much -- CAREER DAY. The Alumni Office and the Student Council deserve a big pat on the back for the fine job they did with the second annual Career Day, held last Friday.

Every student we've spoken to who attended (and more than half the student body did so) had only praises for the program.

The alumnus who probably made the greatest impression on the student body was the keynote speaker, Mayor Bernard Boutin, '45 of Laconia, N.H. Mayor Boutin is the type of graduate any college or university would be proud of, and we're especially proud that he claims SMC as his alma mater.

With a large family, a long list of civic achievements and many church projects behind him, he has shown himself to be a man who partakes of " the full life."

We think the Career Day program did more than simply outline opportunities to be found in the various professions. It produced a feeling of " we-ness" between alumnus and student, student and student, and college and student.

Each alumnus seemed to exemplify the " way of life" that Mr. Boutin emphasized as part of the education at St. Michael's.

We would posit that if St. Michael's continues to turn out the type of graduate whom we came in contact with on Friday, the future for the school is indeed a bright one.

Demise Of The "Lance"

The inevitable has finally happened. Unless the Editor of the " *Lance* " is reinstated by the Student Council soon, St. Michael's College will go without a spring edition of the campus magazine. Editor Bob Battles has been dropped from the Council for non-attendance and his budget, with which he was to put out his spring edition, has been frozen indefinitely.

The last issue of the magazine was a disappointing one, and was unfavorably reviewed in this paper. We hoped that the results would be anything but this.

This year's Junior Class has seen the magazine the center of constant conflict. During the year of '53-'54 the magazine was not given a seat on the Council. It was re-seated last year, only to be the cause of a heated council argument, when a council member made the motion it be abolished. (The Council Moderator at the time stepped in and prohibited such action.)

The Administration has continually refused to let the magazine go to its grave. What they would not allow, inertia has finally permitted.

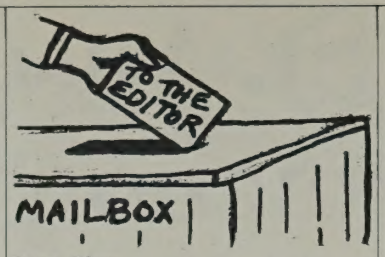
Prayers are requested for the souls of the father of Frank O'Leary, a Sophomore, and for Jeremiah Crowley, father of 4 alumni including Rev. John Crowley, S.S.E., Secretary to Father Jeremiah Purtill, S.S.E.

Students:
Typing done for Interclass writing and term papers. $.15 first page, $.08 every additional page.
College Hall, Room 31.

Your prayers are requested for the souls of John Granelli, father of Professor Armando Granelli, and for the mother of Joseph Shaughnessy who died during February.

Make-up examinations for students who were legitimately absent from January examinations in single in single semster courses will be held early in March. Applications should have been made prior to February 23 for this exam. Failure to take make-up exam in March results in an "F" for the semester course.



Dear Sir:

In the past it has been a very common complaint that nothing ever takes place on this Campus. We would think that a graveyard and St. Michael's were one and the same to hear some critics plaintively wail.

This last Sunday evening (26 February) the Glee Club of St. Michael's gave a very fine and entertaining concert in Austin Hall. The price was $.25. The proceeds were to go to Bro. Augustin Gerard, F.I.C., who will shortly be leaving for the missions of Africa.

Something like 42 Michaelmen turned out to hear their Glee Club, a little better than 5% of the Student Body. It was an example of the seeming lack of spirit that prevades the Campus.

The Student Council seeks to inaugurate a combination concert - lecture series for the benefit of the Students at St. Michael's. Such a series will probably be a waste of time and effort if no more students show an interest in the contemplated series then they manifested Sunday toward the Glee Club Concert.

I am,

Sincerely yours,
Charles P. Randall

Selective Service Exam Deadline Monday, March 5

College students interested in taking the Selective Service College Qualification Test have until midnight, Monday, March 5, 1956, to submit application it was announced today by Rev. Gerald E. Dupont, SSE, test supervisor.

The purpose of the testing program is to provide evidence for local Selective Service boards so they may consider student deferments for military registrants.

To be eligible to apply for the test, scheduled to be given April 19 to college students in 375 test centers throughout the United States, Alaska, the Canal Zone, Hawaii, and Puerto Rico, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test.

The test was developed by Science Research Associates of Chicago, one of the nation's leading publishers of educational testing, reading-improvement, and guidance materials.

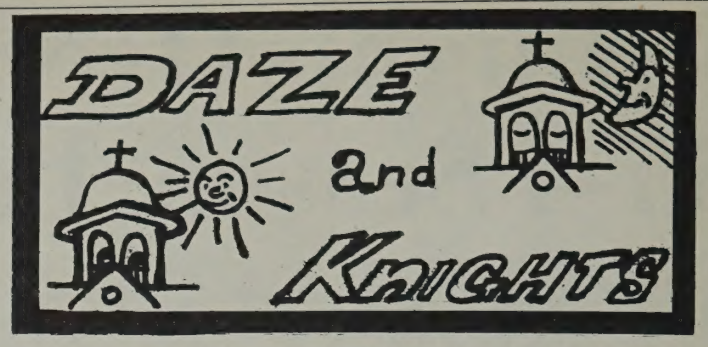
Students interested in taking the test to qualify for possible draft deferment in order to continue their college education are urged to have their completed application postmarked no later than midnight, March 5. Applications dated after March 5 will not be accepted.

For additional information, applications, and addresses of test centers, students should consutl any Selective Service board.

Recently received in the Public Relations Office was a letter from a small boy in Philadelphia which caused many a chuckle. Stating that he was definitely interested in St. Michael's, the future Michaelman then requested some decals and some "penance" to hang on the wall of his room.

Suggestion: Send the boy ten Hail Mary's and a dictionary!

Congratulations to Mr. Thomas Kenney and Mr. Frank Simas on the new additions to their families.



Drop in on a few of the " Career Day " activities? That was an outstanding group of grads that conducted the various clinics. You couldn't get a bad word about the school that made Winooski famous, from anyone of them. St. Mike's has done alright by her boys and vice versa. Judge Akey certainly exemplified the fact that the average guy with a little imagination can get ahead. By the time ivy covers our buildings, it will be alumni like Judge Akey, Tom McNamara, Mayor Boutin and the bird sitting next to you in Hum. class that will have put the school on the top of the ladder.

Middlebury showed a lot of guts in their bid to regain the state crown. The student body of St. Michael's showed a lot of school spirit by showing up en-masse for the tilt with the Panthers. The enthusiastic crowd that was on hand gave good indication of the potential that has been lacking in other activities. Maybe all we need is a better rounded athletic program as the key for the student body pulling together. That's up to you, Doc. Put a little pressure on Father Stankiewicz, He has gold that nobody has ever seen.

There were a couple of guys in St. John's Hall who came up with a pretty good idea. Why not award letters to participants in varsity athletics? It's been mulled over before by other Michaelmen, but it sounds like something that the Student Council could come up with a solution to. While they are at it, a mail-box should be put in the vicinity of the Chow Hall for the convenience of everyone.

" Many are called, but few are chosen." That seemed to be the note as many dejected sophomores left the R.O.T.C. office with the results of the tests and physicals. Then, there were the ones that weren't dejected at all. The advanced corps of cadets is diminishing. Poor Charlie wanted it so badly.

It would almost seem that the Class of '58 is coming into its own. For the present, let there be no need to clutter the newspaper with tales of the most delinquent class during the reign of Padre Duford. There is need of extra time to gloat over the recent triumph in the snow sculpture contest. There is a rumor circulating that the same delinquents did a bang-up job in the ski competition. Could be true.

At this point, the thought of writing this column is too depressing. How a person can come up with so many irrelevant and unnecessary pieces of useless information week after week is a point worthy of psychiatric investigation. Information of this extraordinary calibre is always welcome at the MICHAELMAN office, located on the mezzanine of Aquinas Hall.

Remember Kiddies! Next week your Uncle George will be back with pen in hand to give you the " dirt " for which you crave. There will be advice to the love-lorn and tips on keg tapping.

Debates

Continued from page 1

The tournament began Monday afternoon and ran through Wednesday. It was under the sponsorship and direction of the Debating Club with that club choosing the topic, "Should government subsidies be given to needy and deserving high school graduates for purposes of further training?"

Typical of Monday's debates was the session pitting the the Senior affirmative team of Blais and Girroir against the Freshman negative duo of Maloney and McAllister.

FRESHMEN HUMBLE SENIORS

Paul Fisher, looking as efficient as his position of chairman demanded, introduced the topic and the speakers to the judge who, in this case, was Judge Costello of the Burlington courts. Not all the debaters needed formal introductions to the judge, one in particular having already made his acquaintance in his place of business.

Soft-spoken Girroir set the tone of the Senior presentation which was, to say the least, effortless. Maloney for the Freshman countered Girroir's remarks with some sharp negative observations which Blais of the Seniors tended to ignore in his following attack. McAllister turned in a commendable performance as the anchor-man of the Freshman duo.

Costello's decision gave the Freshman a close victory.

SOPHOMORES WIN BOTH

At the same time in other rooms the Junior affirmative, Kingston and Chaisson were victorious over the other Senior team, Randall and Paczchowski. The Junior negative, composed of Leahy and Donahue were not as fortunate, being defeated by the Sophomores Keating and Latimer. The remaining tally among the four debates showed the Freshman affirmative, Donavan and Violette humbled by Fortin and Steele, Sophomores.

SENIORS LOSE AGAIN

Returning to the field Tuesday the teams, now veterans, were prepared for even sharper conflict. The Sophomore affirmative tilt with the Senior negative was spearheaded by Latimer's passionate plea for the high school graduate with lesser means. Randall of the Seniors, however, refused to have any part of this and quite bluntly said so. Latimer's partner, Keating strove valiantly to discredit Randall's testimony in the eyes of the judge and was promptly rebuffed for doing so by a determined Paczchowski. Again, Judge Costello found for the team in opposition to the Seniors.

AFFIRMATIVE CLEAN SWEEP

Sharing the winners' spotlight with the Sophomore affirmative that afternoon were the Senior, Junior and Freshman affirmative, making it a clean sweep for the yes side of the question where they had only split on the day before.

Wednesday, the final clash, saw two undefeated affirmative teams, Sophomores and Juniors seeking to preserve their laurels. The Senior and Junior negatives had yet to win a debate, and were determined to do so.

The afternoon's action saw the Sophomore affirmative, Keating and Latimer win their third debate, this one against Freshman opposition.

The Junior team facing a Sophomore negative also remained undefeated. Blais and Girroir took their second win on Wednesday, while the Senior negative picked up its first win on that day.

Weekend

Continued from page 1

" This would make the concept of colorful pagentry and the name Junior Weekend synonymous, " stated Co-Chairman Roger Chapdelaine. The whole committee expressed the opinion that it was one more step towards accomplishing the Weekend's publicity slogan, " Weekends are better than ever."

Council

Continued from page 1

were in attendnace at the concert. But the cold fact remained--Fr. Duford had made an offer of fifty dollars--and Bill Leahy considered this of sufficient significance to remind the council that they shouldn't "Look a gift horse in the mouth".

TO DISCUSS OR NOT TO DISCUSS

At this point Tom Leavitt, aware of the futility of the lengthening discussion, withdrew his original motion concerning the lecture series. Some felt the question needed further consideration though, and Paul Kane motioned that the discussion continue. This was defeated so Jack Eaton motioned that the current lecture series be placed under control of both the council and the Sodality with no financial aid from the Dean of Men. (several members deemed Fr. Duford's offer unnecessary).

SODALITY WINS OUT

It was then pointed out that such a program would not serve as a valid criteria, as regards student interest, for a first-class series such as Leavitt had originally suggested. Eaton withdrew his motion and the Sodality was thereby freed from outside interference in its project.

RADICAL CHANGE PROPOSED

In the monthly report of the Constitutional Investigation Committee, Dick Bousquet perked up a few apathetic ears when he announced the results of his committee's last few meetings. They had come to the conclusion, he said, that the present system of organization and membership in the council be revised. As a new set-up Bousquet, on behalf of the committee, suggested that council representation be apportioned according to the following scheme:

Seniors--4 class officers
4 electeddelegates
Juniors--Same
Sophomores--4 class officers
5 delegates
Freshmen--Same

This would eliminate the club residents from much council business which does not concern their respective clubs and would place an interested representative in each council seat. In addition, the committee suggested that an organization of club presidents be formed and that one-third of the members of this group be elected to voting positions on the council. These representatives, it was explained, could act as council-club liaison personnel.

"Tensions in Modern Humanism." Other members on the panel are: Dr. Charles Donahue of Fordham, chairman, Dr. Hugh Stott Taylor of Princeton, Sister Mary Francis of Mt. St. Vincent College in New York, and Rev. James Somerville, S.J.

St. Michael's College is one of eighteen colleges and universities represented at this year's meeting of the Society. The aim of the society is to promote Catholic activity in the fields of literature, philosophy and art.

AFROTC Men Will CompeteFor Speech Award

Seven Juniors have qualified for the finals of the Republic Aviation Corporation speaking award.

The seven, all Air Science cadets in the AFROTC program are: Thomas J. Dooley, William Kreuter, Richard Jerome Murphy, Clyde Poulin, George A. Porreca, Joseph Visconti, Jr. and Donald Wehmeyer.

The cadets will compete March 6 at 2:30 in College Hall before a faculty panel of judges. They will be judged for proficiency in speaking on an Air Force topic.

The award will be a certificate and a suitably engraved silver identification bracelet. Last year's winner, Cadet Fred Blais of Winooski, is assisting Lt. Wirt D. Griggs of the faculty with arrangements.

Sparse Attendance At Glee Club Concert

Wednesday, February 29, saw the climax of a series of of concerts, given by the College Glee Club. The Wednesday night concert was given to an appreciative audience at Essex Junction High School auditorium. The Glee Clubbers also sang in a campus concert on Sunday night, February 26.

The club had included in their reperatoire a group of College songs, Gregorian Chants, and a number of semi-popular songs. Led by Director John D. Donoghue, an accomplished singer in his own rights, the Michaelmen sang as their first number, "When the Saints Go Marching In," and ended with "Moments to Remember."

Approximately the same program was done then as on Wednesday, with a few minor changes. Philip Beaudoin, a Junior, played a solo on the piano which was quite commendable and the foreign students sang two groups of songs, mostly in the French tongue. But they did give a rendition of the popular "Sixteen Tons," in English, which showed their remarkable progress in the English language since they arrived at the Hilltop.

Neil Fitzpatrick, also a Junior, deserves a great deal of praise for his masterful handling of the accompaniment music for the Glee Club. To anyone who knows the slightest thing about music, Neil has shown that he can fill the difficult position of accompaniest.

SING AT ST. LAWRENCE

Last Friday the Club, which numbers approximately 75, sent a delegation of 13 members to sing in a Winter Carnival Song Fest sponsored by St. Lawrence University as part of their Winter Carnival. The "Varsity Voices," as the group is known, competed against such groups as "The Blue Notes", of Columbia University; "The Statesmen", from Hobart College; "The Saints", from St. Lawrence; and "The Sinners", from St. Lawrence. Many favorable comments were received, especially on the rendition of "Lonesome Valley", a white spiritual, which was sung a capella by the group.

Dean Announces Writing Contest

The Office of the Dean of Men announced this week the opening of the interclass competition. The contest will be held in three categories, short story, essay and poetry. Prizes include points towards the class trophy, individual trophies and a twenty dollar cash award in each category. In addition there will be an entry on the activities record of every individual who competes. All undergraduates may enter and there is no limit to the number of individual entries.

All judging will be done by the official judges only. However in the event that a large number of entries are received some preliminary judging by class committees may be necessary. All manuscripts may be left either at the information office in Old Hall or at the Registrar's Office. The contest closes March 28, 1955. No entries will be returned.

Delegates Attend Pontifical Mass

A delegation of students from St. Michael's will assist at a Pontifical High Mass to be held in the Burlington Cathedral on Monday, March 12, at 10:00 A.M. The Mass, which will be celebrated by Bishop Ryan, or an auxiliary bishop, is to commemorate the seventeenth anniversary of the Coronation of Pope Pius XII.

Recently discussed in Student Council, President Hank Bredenberg appointed Joe Fortin, Frank Adams, Charles Randall, Jack Crean and Don Cook to compose the delegation. In addition, all four class presidents will select groups to attend the Mass.

The Mass is a part of a program at the Cathedral celebrating both the Holy Father's Coronation anniversary and his 80th birthday. On February 26 a sermon dealing with the Pontificate of His Holiness will be given and additional prayers will be offered at the end of Mass. All will be exhorted to offer prayers and Holy Communion for the Vicar of Christ on the First Friday of the month, March 2.

Also being arranged is a special Holy Hour or High Mass for the intention of the Pope to be held between March 2 and 12.

WSSE Lists Program For Sun.Broadcast

This Sunday Michaelmen from WSSE will once again operate Burlington's station WDOT all day in continuance of the present program of alternating broadcasts with UVM. Highlighting the day's schedule is a half hour production " Introducing St. Michael's " at 2:45 P.M. Mr. John D. Donoghue, Public Relations Director, and Dan McCarthy, Glee Club prexy, are slated to be interviewed by Tom Johnson and music from the February 26 campus concert of the Glee Club will be played.

This is the second time that WDOT will be operated by WSSE personnel. The system was initiated a month ago at the invitation of WDOT and is set up in such a way that students from St. Michael's and UVM alternate in the operation of the station's studios on Sundays.

St. Michael's first day of programming on February 19, met with widespread approval both on campus and among the Burlington populace according to Jon Munroe, program director. As a result, the schedule for this week will follow the same pattern as the last day of broadcasting.

Those who will be on the air this week are: John O'Brien, Jack Aneser, Dick Manning, Tom Johnson, Jon Munroe, Walt Taylor, Vic Grennon, Fred Blais, Woody Bassett and Jim Dermidy.

The engineers who will handle the controls are: Bob Sprafke, Gene Gallagher, Phil Rossigion and Jack Haggerty.

Career Day

Continued from page 1

BOUTIN SPEAKS

The main speaker of the afternoon was the valedictorian of the Class of 1945, and present Mayor of Laconia, New Hampshire, the honorable Bernard Boutin. Mayor Boutin told the large audience that if we are to be truly successful, our chosen path in life must ultimately lead us to our principal objective, the salvation of our immortal soul.

Mayor Boutin warned the group that finding a satisfactory job doesn't just happen. Each person must take the responsibility of planning his own future. Choosing a career is a perplexing and difficult problem and is one of the most important decisions a person must face in his entire life. It takes more than a day or even a month to choose a vocation. The speaker advised the students to utilize their free time to the fullest extent by taking part in extra curricular activities and part time employment as these activities are very important in forming a solid foundation.

Boutin pointed out that a college degree marks a person as the kind of man upon whom greater responsibilities for the well being of our country will fall. He recommended that students take advantage of the many scholarships and fellowships now available to them. Mayor Boutin feels that a college diploma is more a calling card to a profession than a certificate of eligibility.

"SMC GREAT SCHOOL"

"You are attending a great school, one which I am certain will eventually be generally recognized as one of the top schools in this nation if not in the world." The Mayor went on to say that here at St. Michael's we receive not only an education but that we learn a way of life. Education fails unless the three R's lead ultimately to the four P's; preparation for earning, preparation for living, preparation for understanding, preparation for participation in the problems involved in the making of a better world. Under the guidance of the Fathers of Saint Edmund, every graduate and student knows and understands the relationship of man to man and man to God. "You are taught not only how to live, but more important why you live."

Mayor Boutin stated that the lessons learned at St. Michael's influence him in his every decision. Fight for Alma Mater is a good slogan during college years and this same do or die spirit must also be applied in work if a person is to drink from the cup of success. Always fight and play to win; start at the bottom and never take your eyes from the top. He further advised to work the longer hours now so that you will be qualified and worthy to work the shorter ones in later life.

"LIFE MUST BE FULL"

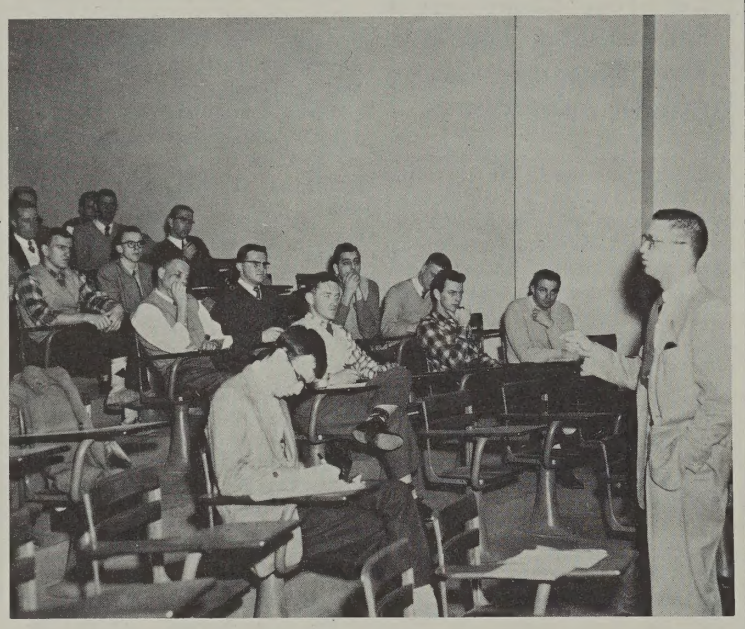
In conclusion Mr. Boutin said to be generous with one's time for church and civic projects. Be a good example to those about you. Be willing to serve your community, your state, and your country for the greater glory of God. As Father Keller says, "You can truly do a great deal to change the world."

The most important phase of the afternoon's program was the clinics that were led by alumni of St. Michael's College. After they had addressed the students a question and answer period followed. The counselors were available for informal interviews after the clinics. The various fields represented were; Law, the Honorable Kenneth Akey; Federal Civil Service, Mrs. Daniel Alfieri, Insurance, the Honorable Bernard Boutin; Reserach Science, Mrs. Francis Kenny: Radio-TV, Mr. Howard Lancour, Sales, Mr. Thomas McNamara; Industrial Science, Mr. Robert O'Brien.

The Real Estate profession was represented by Mr. Thomas Sheehan, and the field of Medicine by Mr. Robert Sullivan. Mr. Charles Sawyer led the clinic on Education. The clinics were well attended by members of all four classes

Speaking for the Alumni, Mr. Kenney said that they were impressed with the caliber question addressed to them. The alumni who participated as counselors in the well-attended clinics were convinced of the sincerity of the students' long range interest in vocations. The counselors felt that they had also profited the students questions. After a lobster dinner, the alumni expressed their graditude to the administration and the student body for the hospitality given them.

Alumnus Bernard Boutin, '45, Mayor of Laconia, N.H., addresses students in Austin Hall as keynote speaker of Career Day.



Washington County School Superindent, Charles Sawyer, addresses prospective teachers in one of the many meetings held on Career Day.

Heavy Schedule Faces Debaters

The interclass debates are the focal point for debating attention at present but beginning March third, the debating club will commence one of the most active spring schedules of its career. This campus, on that weekend, will be the site of a round robin novice tournament. The schools of Dartmouth, Vermont, Middlebury and St. Anselm's will be represented and compete with St. Michael's.

St. Patrick's Day weekend will find part of the varsity heading north to the St. Lawrence Invitational Tournament while another portion of the squad will venture south for a similar tournament at Siena in Albany.

The N.F.C.C.S. will sponsor a debate tournament in conjunction with their own conference at Fairfield University on the 23rd and 24th of March.

A home and home series with Boston College is also on the program for the month of April.

The debating club will climax its 1955 schedule with an extensive New England tour. They will debate at Boston College, Boston University, Harvard, Tufts, Smith, Mt. Holyoke, Amherst, Williams, Trinity, St. Anselm's and Dartmouth.

Veep

time each party contributed to the campaigning. All four nominess were active.

When Bob was told that he had won the election, he was very pleased and said " I am very happy that I won and I will do my best to fulfill the job."

"Sign" Says McCarren-Walter Act Needs Revision

UNION CITY, N.J.--The Sign, national Catholic magazine published here, charges in its February issue that the McCarran-Walter Immigration Act has legalized an immigration policy that is " phony," " insincere," and " discriminatory."

Decrying the charges of anti-revisionists that suggested changes in the law are Communist inspired, the magazine declares in a leading editorial! " The trial run which the Immigration and Nationality Act has had has revealed some very good un-Leftist, un-Communist, and perfectly American reasons for revision.

" Europeans, for instance, who have been assigned the high immigration quotas do not want them and do not use them. Europeans who desire the opportunity to come to the United States may not do so because of the low quotas assigned them. This amounts to a phony immigration policy."

The editorial singles out the American Coalition as " an organization presently preoccupied with preventing amendments to the McCarran-Walter Act" under the guise of anti-Communism.

" It puzzles and surprises us, " the writer adds, " to see a batch of promoters dro p an attractive package of anti-Communism into a bag, then dump on top of it an assortment of extravagant items, such as rank nationalism, or snobbish sociology, or a fatalistic, licentious economic doctrine, and then expect us to buy the whole mongrelized bundle..."

The Sign asserts that the anti-communism of the American Coalition is " very good. But in its anti-revisionist program, it is also anti-Italian, anti-Greek, anti-Turk, anti-Slovak, anti-Polish, and anti-Asiatic. Those who do not go along with this bias they refer to as 'Leftists.' Their imputation does not make sense."

The magazine declares: " We would not want to see our immigration program cracked so wide open that we would be importing Moscow-trained organizers. But, we can keep them out and still give a home to a lot of people who need one...

It concludes: " One doesn't have to be a Leftist to want that. He doesn't even have to be a Southern or Eastern European. He only has to be an American of the sort we think of as typical. That is, he has to have a heart and a sense of logic."

Continued from page 1

All SMC starters hit in double figures again. Bill Kuchar followed Lemanowicz in the scoring parade with 22 points, Drew Denmead turned in extra fine game from the floor and pulled in 17 points from his evening's effort while John Wergzynski, without playing the full game, and Captain Bernie Cieplicki rounded out the Knights' scoring with 10 apiece.

Tom Lemanowicz - 41 points.

LEMANOWICZ BREAKS RECORD

With his 41 point effort, Lemanowicz broke the all-time St. Michael's College scoring record held by the former great Knights star, Ted Berzenski, who ended this three year varsity career with 1025 points, Lemanowicz now has 1036. He also broke the individual game high for a SMC player with his total of 41 points. Bob Young last year and Burzenski held the old record jointly with 35 points.

The game was nip and tuck all the way with neither club being able to open up a big enough lead that could have been called safe.

With about five minutes played in the first half the Hawks jumped out to a seven point lead, 23-16. However, with about nine minutes left to play in the period, Drew Denmead dropped in a two-pointer and was fouled in the attempt. He made the foul and the Knights led, 29-27.

For the rest of the period the Jacobmen were never headed and increased their lead to ten points, 56-46, as the half ended.

HAWKS COME BACK

The Hawks came back strong at the beginning of the second period and tied the score, 62-62, with six minutes being played. Play and the score went from team to team with neither team leading for any length of time. The Hawks tied the score again at 78 all, but three quick bakets by Denmead and one by Wegrzynski with about five minutes left to play put the Knights out in front to stay with an eight point margin, 86-78.

KNIGHTS ROLL TO 100

From there on in, the Knights rolled up the score, nearly scoring at will. Lemanowicz tossed in two fouls for his last two points of the night to make it 98-97 and Drew Denmead tossed in two more to make it 100 as the Saints hit the hundred mark for the fourth time this season.

All in all, this was one of the finest games the team played all year to finish a great year on the Hilltop basketball-wise.

Juniors Take Interclass Ball

The Junior Class interclass basketball team, with a record of seven wins and two losses topped the league, it was announced after the last two games had been played this week, by Father Stankiewicz, league director.

The Seniors ended up in second place with a 5-4 record followed by the Freshmen with four wins against five defeats while the Sophomores brought up the rear with two wins against 7 defeats.

With high scorer Hank Gretkowski leading the way, the Frosh managed the most potent team offense with 464 points for a 51.5 points per game average. The league leading Juniors were close behind with a 50.4 average. The Seniors gathered a respectable 48.5 average while the Sophs were last with 44.2.

The Juniors excelled on the defensive by allowing a total of only 406 points to be scored against them. The Seniors were next with only 415 points being scored while they were on the floor. The Frosh allowed 448 points while the Sophs were again last with 484.

The highest amount of points scored by one team was in the 70-49 romp of the Frosh over the Sophomores on February 14. The lowest number of points scored in the league this year was by the Frosh in their 53-33 loss to the Juniors on January 10.

In the last two games played this week the Seniors clinched second place with a convincing 54-48 win over the Frosh. Ray Garland led the victors with 15 points while Bill Leuchten and Frank Keane dumped in 14 and 14 points respectively. The league's high scorer, Frosh Hank Gretkowski was held to 14 points.

On Tuesday, the Juniors rolled over the hapless Sophs by a 60-48 score. Former varsity star Jack Coffey led the Junior attack for the third straight game with 17 points. Don Mozzi paced the Sophs with 16 points.

The league's high scores were.

Students!
EARN $25!

Cut yourself in on the Lucky Droodle gold mine. We pay $25 for all we use—and for a whole raft we don't use! Send your Droodles with descriptive titles. Include your name, address, college and class and the name and address of the dealer in your college town from whom you buy cigarettes most often. Address: Lucky Droodle, Box 67A, Mount Vernon, N. Y.

LUCKIES TASTE BETTER – *Cleaner, Fresher, Smoother!*

Things are getting crowded! Everyone waits for the ball to come back down to earth in the recent SMC-Adelphi game won by the Knights, 67-57. Left to right: Kuchar(3), Denmead (11) stepping on McDonough's toe (14), Spychalsky (7), Soderstrom (16). Lemanowicz (10), Sternsheim, behind Lemanowicz and Cieplicki.

Sophs Sweep Interclass Ski

This past Sunday at Underhill Ski Bowl saw the first Interclass Ski Competition under the 2-year old Interclass Activities Program get under way under good conditions. There was a good representation from all four classes in the total of nearly 20 entrants. With the increased interest in this winter sport among MICHAELMEN, it is hoped that the coming years will see greater participation.

FAST DOWNHILL RUN

The very icy conditions didn't deter Bill Varanka, a Junior from doing the downhill run in 33.5 followed up by Sophomore Tom Lynch with 34.5 and a 35 second, third in a draw between John Moriarty (Soph.) and Dave Holmes (Sen.).

The Slalom course, trickily set up by Varsity Capt. Roger Rivard, was no challenge for Dave Holmes and John Moriarty, who seem to have an affinity for ties, both sweeping through the 11 gatee in 32.5 seconds with Varanka a close second with 33, and sophomore Paul Plankey third with 34. In compiling the team scores, the time of every man was computed toward his team's total score.

Team Scores:

Sophomores:	200
Juniors:	195.5
Freshmen:	180.5
Seniors:	158.0

Ski-Meisters (Best Combined Time):

1st	Varanka:	66.5
2nd	Moriarty:	67.5
(tie)	Holmes:	67.5
3rd	Lynch:	70.0

Many thanks and a " well done " to the group who set up the course and recorded the times. Mr. Joseph Powers of the faculty, Roger Rivard, Roger Chapdelaine, Dick Barone, Peter Taylor, Jay Tierney, Dave Holmes and Art Kirwin all deserve special thanks.

Downhill:

1.	Varanka	(Jr.)	33.5
2.	Lynch	(Soph.)	34.5
3.	Moriarty	(Soph.)	35
	Holmes	(Jr.)	35

SAINTS BEAT ADELPHI, 67-57

For the second straight game the Knights' of Coach 'Doc' Jacobs managed to look lackluster, but they still came up with enough good ball to beat the Panthers of Adelphi last Friday, 67-57, at the Auditorium.

The Saints looked stale after their win over Middlebury two nights before. Though they played well at times, their attack was spotty and carried little real drive. The Knight's foul shooting was poor with only 15 of 32 shots dumped in.

Fans thought the Knights were going to throw the game away, as in the Creighton game, on poor foul shooting early in the second half, but with five minutes left in the game, two fast baskets by Drew Denmead and Bill Kuchar, two foul shots by Bernie Cieplicki and another basket by Tom Lemanowicz put the Knights out of danger.

Bill Kuchar led SMC scoring again with 18 points while Lemanowicz and Cieplicki gathered 13 each. These 13 points gave Lemanowicz 995 points for the season and leave him only five shy of the 1,000 mark.

McDonough of Adelphi led all scorers with 22 points.

ROTC RIFLE TEAM THIRD IN NEW ENG.

In the recent William Randolph Hearst AFROTC rifle competition, the St. Michael's College AFROTC rifle team placed in the top third of the standings it was announced today by Sgt. Armand Doucette. In the nationwide tournament, conducted via postal targets, the St. Michael's rifle team piled up a total of 811 points. In regional standings, the St. Michael's shooters copped fourth place in New England.

Lt. Wirt Griggs and Sgt. Doucette were well pleased with the fine showing the boys made. This was the best that the St. Michael's ROTC shooters have ever done. Previously they had not been able to break out of the high seven hundred bracket and had not been able to enter the top third in national competition.

The shooters were divided into two divisions. Bob LeBlanc captained team 1 which rolled up a 811 score. High for this team was Tom Barry with a very respectable 187-200 score.

Doug Beattie led team 2, captained by Tom Aicher.

The Vt. State Champions and top small college basketball team in New England, the Purple Knights of St. Michael's College, found honors pouring in on them after their great 17-4 season ended last Wednesday.

The Burlington Knights of Columbus will throw a banquet for the Knights on Sunday, the 11th. The following week the college student Council will sponsor a smoker for the Saints, on Sunday, the 18th.

The Knights' Tom Lemanowicz lays up a beautiful two-pointer in the Adelphi game which the Jacobmen won, 67-57. Other players, left to right: Scott (17), Sternsheim (12), McDonough (14) and Denmead (11).

Sportscoop

By Jack Thompson

State Department officials are slowly coming to the conclusion that striped pants haven't been the same since young Americans started chewing up turfs with spiked shoes and nailing hardwoods with Spaulding specials. Sports and athletes have opened new fields and avenues in public relation and Diplomatic circles as fast as California builds highways. A countless number of disciples were added to the St. Michael's fastly growing faithful last Wednesday evening. A dramatic ending to a dramatic season, but the promising beginning of things to come. Never before has the gold in the Purple Knight standard gleamed so brightly. The Hawk of St. Anselm battled fiercely, but the harder he fought the sweeter the victory. Beaten on his own ground, with every weapon at his command, including another screaming hometown gathering, added further lustre to the battle that will never die in Manchester, N.H.

Tom Lemanowicz was magnificent as he led another great team victory. Every one of the starters went into double numbers for the nth time this year. The lanky Blonde forward was fantastic as he threw in 41 points. In doing so he broke two records that at one time seemed invincible. Ted Burzenski's three year high of 1025 points was shattered as Tom reached the dizzying height of 1036 points. The 41 points also broke the single game high of 36 points held by Bob Young. Bill Kuchar finished the season with some 402 points to lead the individual scoring. All five starters wound up with double figure averages for the second straight year. As Mel Allen would drawl: " Man, How about that? "

If ever a school had a golden key presented to it by five of its students, it must be St. Michael's. Fellows don't come to college to spend their leisure time acquiring a bad case of nerves watching basketball games, but a good team never hurt anyone. There are those who would claim that Holy Cross would now be a Jesuit Retreat had not a couple of boys by the name of Kaftan and Cousey drifted up to Worcester. Rio Grande was still a romantic background for third rate Westerns until a giant named Bevo started scoring po ints as fast as Henry Jr., added H.P. to dad's Model T. Why, they even made one former high school coach a Kentucky Colonel, when he started laying a foundation for a dynasty that is still growing. And three years ago when three Garden State boys kissed Mom good-bye for the first time, a new page in St. Michael's history was being opened. A year later another Jerseyite drifted up, and still another year one foreigner sneaked into Camden from Philadelphia to join the family. With a few more Jersey boys going through their final initiations, and a local lad who looks like he has it, ready for the big jump, our Golden Key may be around for a long time to come.

Memories.....Mr. Gianelli's ovation at the Colby tussle...Bill Kuchar pacing the lobby before a game... Bill Loeffler's " family " at the final home game... The fine attendance at all of the home games as well as the away games by the faculty and everyone connected with the Administration...Senior Don Cook leaving the Adelphi game at Garden City for a breather to restore his shattered nerves...Paul Palmer's great announcing job...Ditto Russ Gangi and Bart Ponnesa on the scorebook...Hats off to Bob Caprio and all the ushers who always looked sharp and worked hard...A gold star to Jim Breagy for his attmpt to cheerlead while keeping score up in the press-box...And finally a pat on the back to the unsung heroes of the season, the managers: Tom O'Neill, Bob Donoghue and ---------- who were always on the ball. So fans, another season ends, and we hope everyone in the future will have as happy an ending.

SMC Captain Bernie Cieplicki opens his mouth, looks at the floor and hopes for the best as he goes around Adelphi's Larry McDonough and another unindentified player in the recent game between the Saints and the Panthers. Tom Lemanowicz (right) jumps off the ground as he watches his teammate.
